DJ SERVICES REQUEST FOR PROPOSAL

The Enlisted Association will be hosting our 55th Anniversary and National Convention in Ft. Walton Beach, Florida in 2018. The event will take place at the ISLAND, by Ramada (formerly known as The Ramada Beach Resort). We are interested in receiving bids for the following services:

- DJ services for the President's Dinner on Wednesday, September 19th, 2018.
- It will be an outdoor event, taking place on the patio. (an alternate indoor location is 'on hold' in the case of inclement weather)
- Service are required from 6:00PM to about 9:00PM and the bid included set-up and tear down activities.
- The genre is 'everything'. It will be a 'beached-theme' event, so music/songs that fit well into that category will be appreciated. Dinner music (not sleeping music), is requested during the meal, followed by music that will encourage the members to get up and dance. Line dancing is a favorite as is 'Oldies'. (Rat Pack, Beach Boys – etc.). This is an upbeat, fun event and the music is paramount to its success.

To be considered for this contract, you must be licensed and insured.

Please submit your bid for this event to TREAHQ@TREA.ORG

Deadline for consideration is May 30th, 2018.

Thank you for taking the time to respond to this request.

Debbie Osborne
Director for Operations
