Part 6 -  
Remarks

I have had the honor for serving as your National Treasurer from 2020-2022. I would like to be reelected at my current post so I can continue to oversee our budget for the next 2 years. Seeing all the members that could attend during our board meeting in San Diego was an honor and let me get to know some of the members around the country. I will always be honest with my assessment and give you the most up to date facts that I believe I would want to hear. Please consider me for election time and no matter what, I will support our board if not reelected. Thank you.

I want to start by saying that it has been a pleasure being your Treasurer from September 2020 to current time. For some of our longtime TREA members that was used to TREA being a club that gave a lot back to its members, TREA has had to shift focus due to TREA sponsors leaving and TREA members are dying faster than we are gaining new members. My long term plan is to ensure financially that TREA is looking at our bottom line and ensuring we spend our money wisely because I'm sure many of us want to see TREA continue helping our Veterans! If reelected, I plan to continue doing my best as I can as your Treasurer. If I am not reelected, I want to say it's been a pleasure and honor for serving as your Treasurer and will support the board. Take care and God Bless!
