Part 6 - Remarks

I believe in giving back and that is my motive for seeking a National Board position. When I was at my lowest point, suffering from combat connected PTSD, TREA was there for me. TREA saved my life - literally. I was given the chance to make a difference and I want to make the most of that opportunity.

I have passion for those who have served and I am loyal to TREA. I may be a 'newer' member of the organization, but my desire to make a difference and to 'pay it forward' drives me forward and I know that I can make a positive difference, on the board, for the members and for the veterans and their families that we serve. I hope that I am given that opportunity.

Running for National Director

I am asking for your support in my run for TREA National Director. I may not have years, and years of TREA knowledge and/or experience like some of the other candidates, but I believe that I have something that is more valuable than that --- I have 'true desire'. The desire to make good on TREA's mission to support, protect and advocate for all enlisted who have served this great country.

TREA made a real difference in my life – it literally saved me. I want to pay that forward and help others.

In my time with TREA, I have held several positions at the local/chapter level. I see the potential and the ability to do so much more at the National level, and I want to be a part of that process and that success.

I am not in this for personal accolades. I want nothing in return. I am not interested in the title - I am interested in the ability and the opportunities that being on the National Board affords me to let others know about TREA – who we are and what we do. They do not know about us -- -- I did not know about us until it was almost too late. We are an amazing organization and we do great things – we just need to let everyone know about it... about us... about TREA.

I want the opportunity to give back to the organization that gave me so much. I want to be the giver - the giver of my time, my treasure and my talent, to truly make a difference to others.

I hope that you can see my passion, my loyalty, my desire to do good things for and with TREA and with that, I hope that you will support me by voting me in as one of the TREA National Directors.

I look forward to serving you on your National Board.

Thank you,

Mary Clarvoe
